(GBD) (JCF)

Dear Judge Daniels,

We represent Plaintiffs in the above-captioned action and write to request that the initial conference scheduled for April 11, 2007 be adjourned. We apologize for requesting an adjournment for a third time, but settlement negotiations between the parties are near completion. Defendants have consented to this request.

Both parties request that the conference be rescheduled during the week of May 8th or another date soon thereafter that is convenient for the Court.

Respectfully,
